ECSTASY:hearts

"Few minutes before I met Anya..."

..I had a talk with Sensei."

Sensei..
The outcome of this match is too obvious.

Anya can never beat me.

You know that.

I know.
She can't beat you.
"Not yet".

..but she
"will".

"That was the first time I felt threatened by Sensei's words..

..those eyes were telling me to brace myself.

When it comes to Anya..

HE'S DEAD SERIOUS.

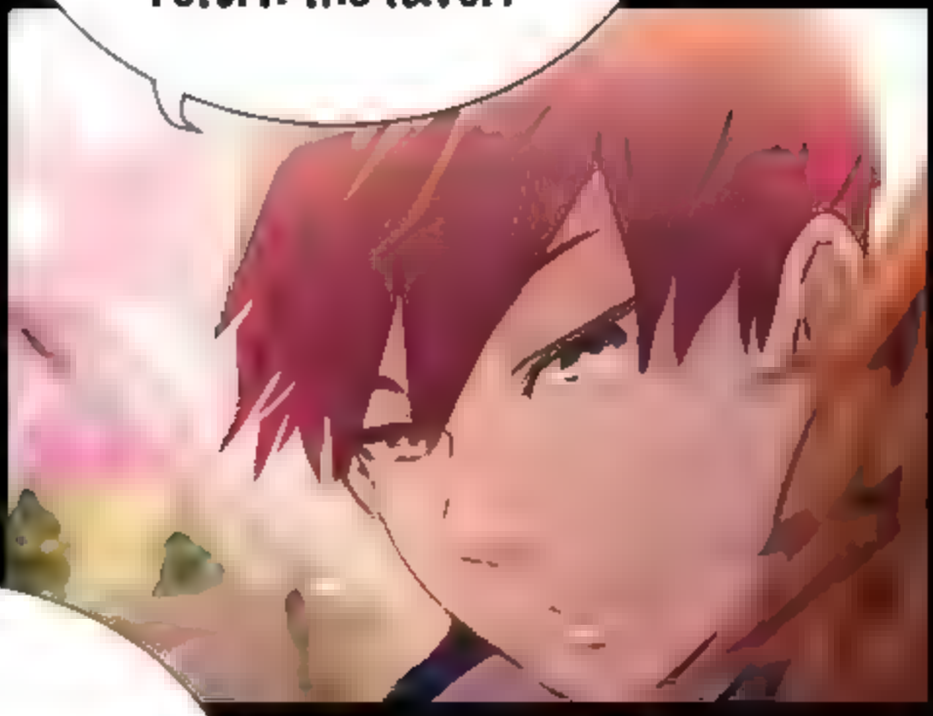
Damn,
I was just kidding!
Ha-ha!
Geez,
you have to find me
another stripper then.
Tell me, will she
really become that
strong?
You can't talk
about strippers here.
Idiot.

Hoh.~
I don't like waiting though.

Oh by the way.
Are you fine playing doubles with Anya?

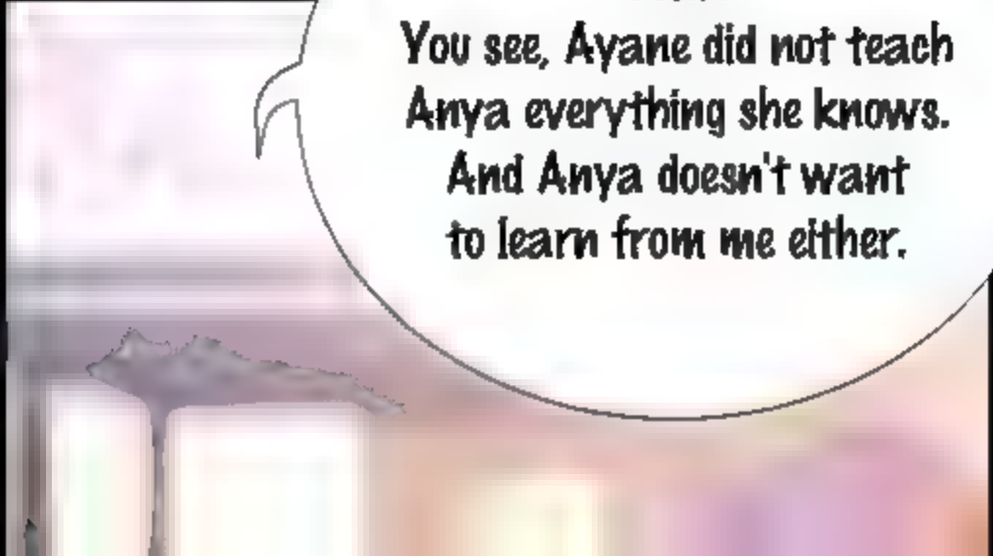
I set an event for you two to have sponsors...
I know you don't play doubles but-..

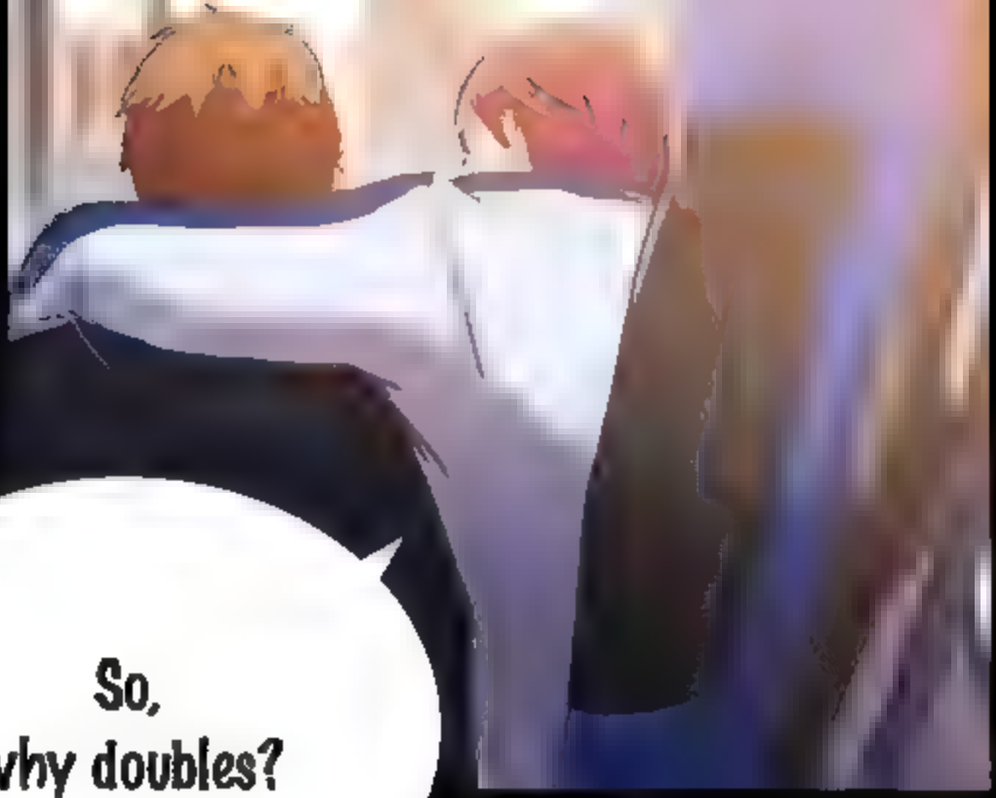
No problem.
You've done so much
for me, Sensei.
I'll do anything to
return the favor.



But why Doubles?
Is this part of her
training?

Yeah.
You see, Ayane did not teach
Anya everything she knows.
And Anya doesn't want
to learn from me either.





So,
why doubles?

For you to
support her.

Playing doubles is different but I think this might work.

In other words,
I will be supporting my future enemy.
Sounds fun.
W-well..
You could say that.
And after that,
I'll help her find her style.
Is that it?
Y-yeah.
For once, you
are making sense,

Axel.

B-but you can't teach her "THOSE" things, okay? Ha-ha.. my Anya is still innocent, she's an exception. Can I trust you with this? ??

Sensei, your daughter is a model. How can you trust a pervert!? Dammit.

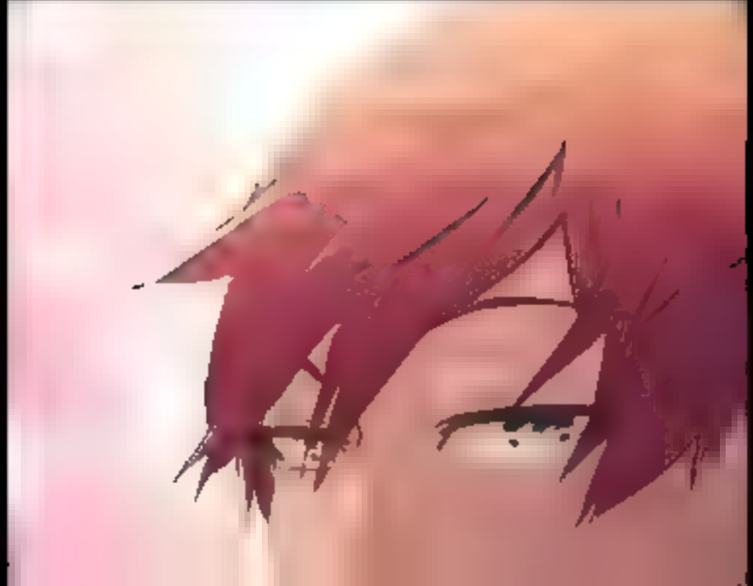
Fine.
I'll do it.
But I need her to come with me in Tokyo.

My friends can help her too.

Hmm..

About that..

I need my wife's permission. I'll talk to her first.

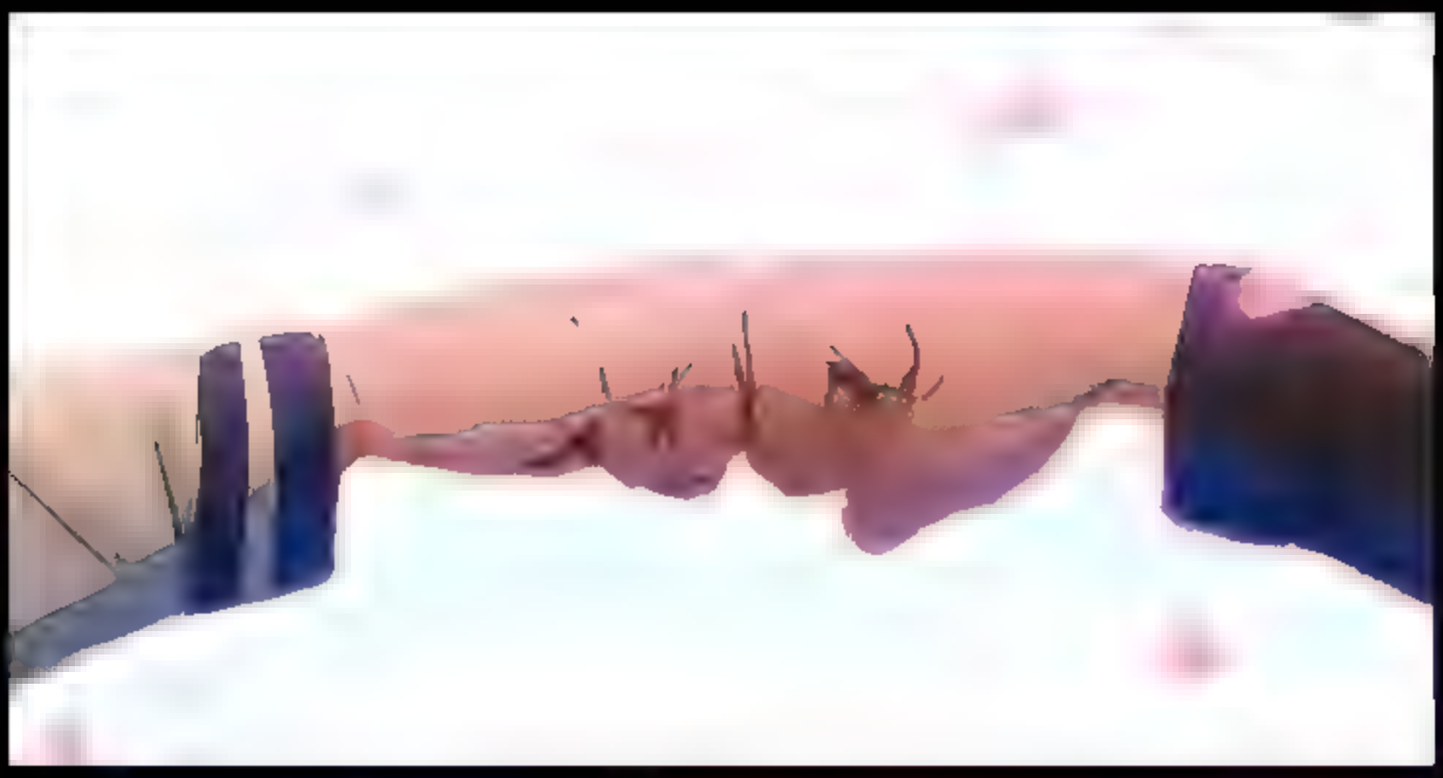


...

Another thing.
Anya seems like a
hot-headed type of person.
She needs to get used to
any kind of provocation.

Sensei,
can I test her
when we meet?

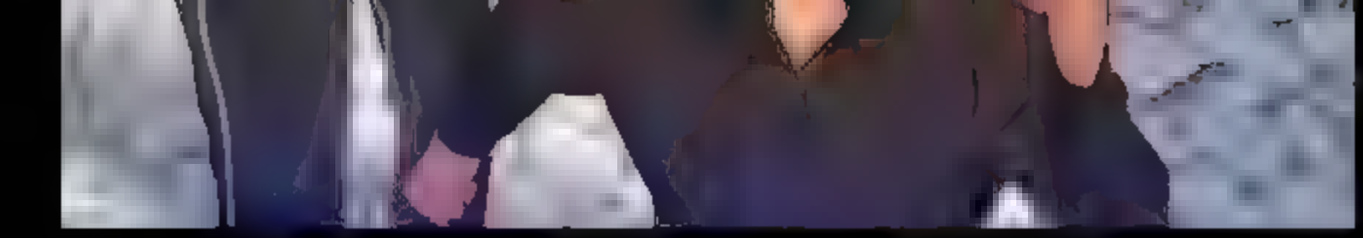
I'll leave Anya in your hands.
Besides, you are part of this family now.



DADDYYYYYY!!!

Crap.
She's running
again.

Axel,
put your bag inside
Anya's car.
The red one.



What?
Anya's still 16.
Sensei must be
driving it.

Let's see.
What ca--...

-....a-a-a-ah----!!
...are you kidding me!?
I-I-Is that a-...

FERRARI!!?
Sensei bought her a Ferrari!?

Dammit..
Now I feel so
small!

Wait a sec..
How 'bout if I win,
I'll take the other
car instead.

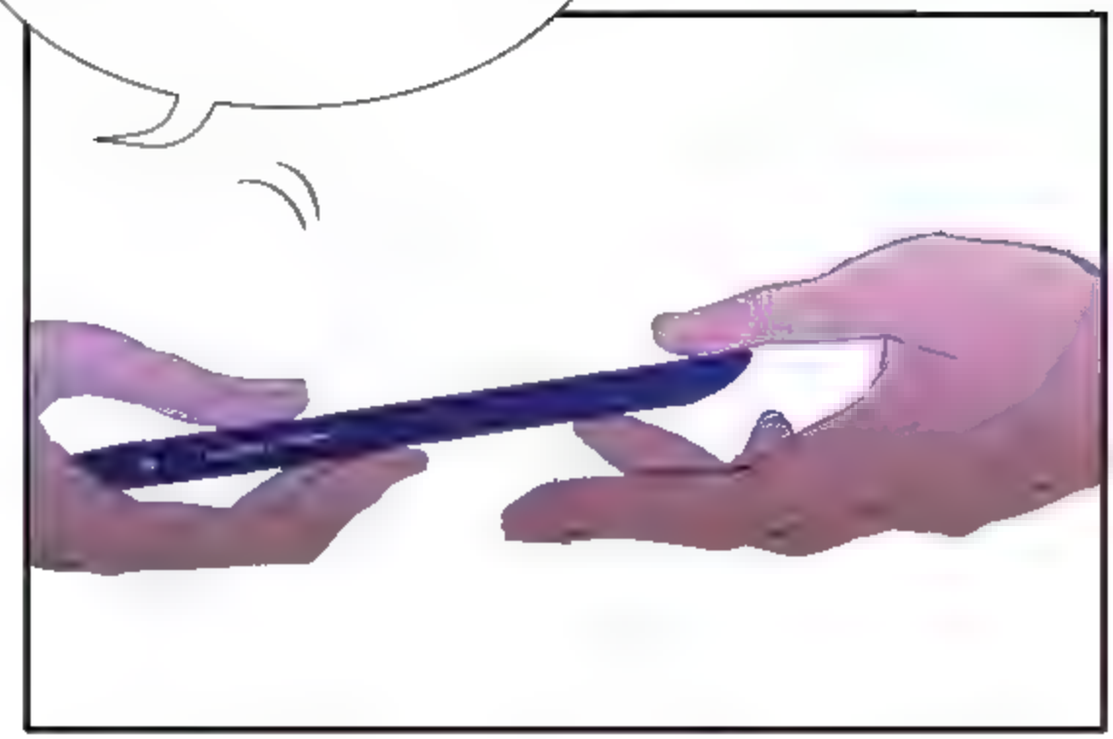
This is gonna' be fun!! ehe-hehe..

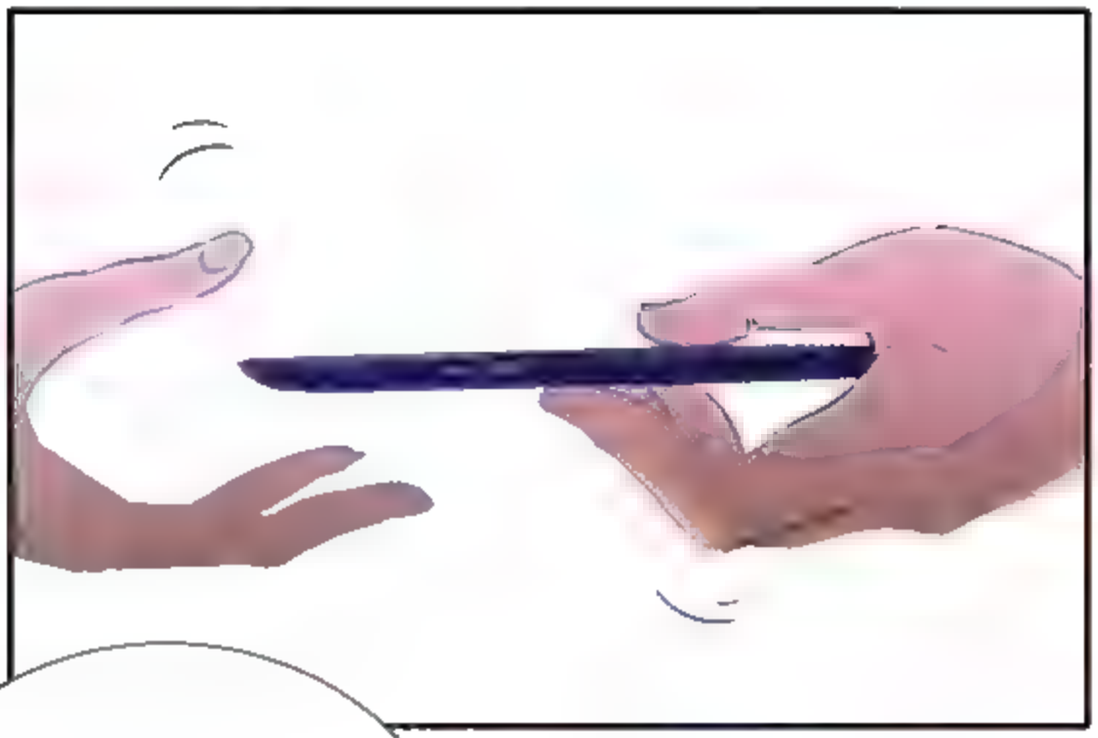
Y-yeah.
Coming!

Episode 8

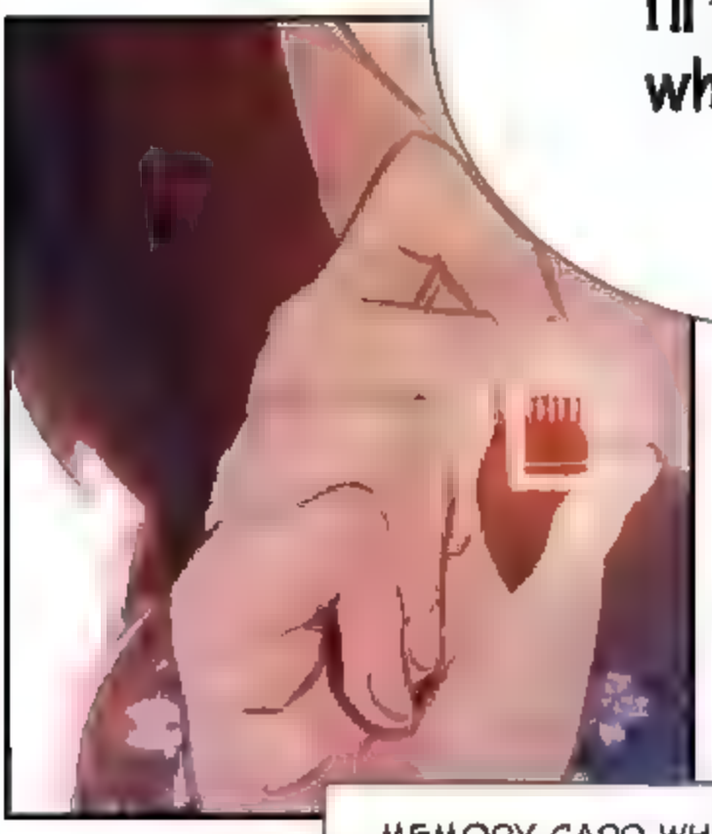
"Answer"

Right.
The phone is yours.



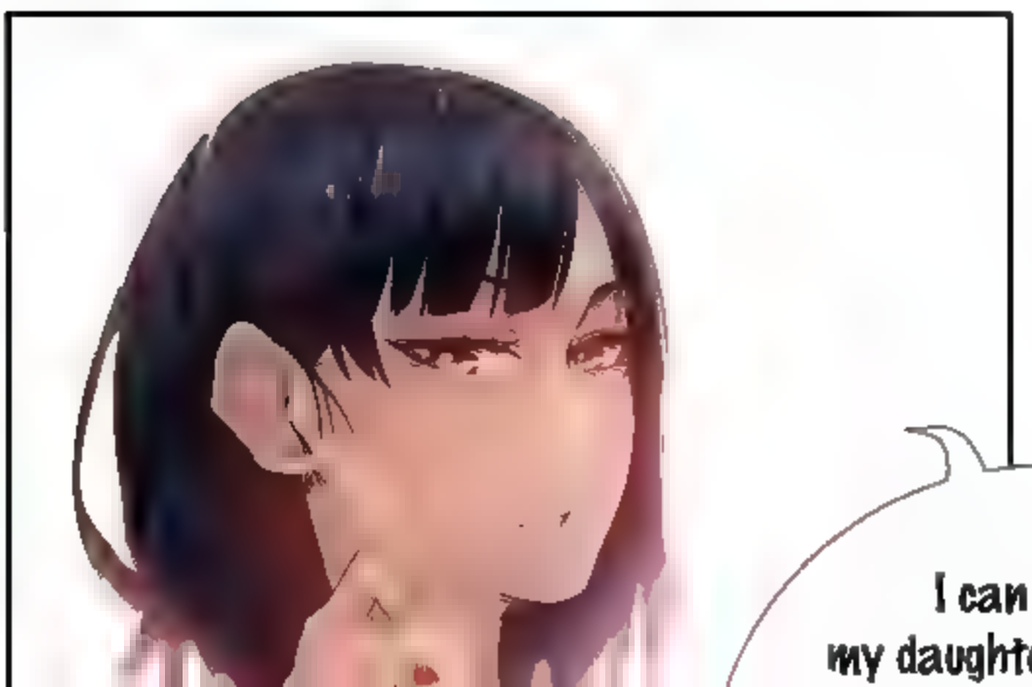


..but



I'll take back what's mine.

MEMORY CARD WHERE ANYA'S PHOTO WAS AUTOMATICALLY STORED.



I can see why my daughter is attracted

to you.
You got the looks and
the guts, kid.
But I don't want Anya
to catch your
stupidity.

I'll spare you
this time.

You may leave!

I can explain!
I was just trying
to provoke her!

You expect me to believe that?

Is Nathan part of this?

He did not expect me to take it that far but..

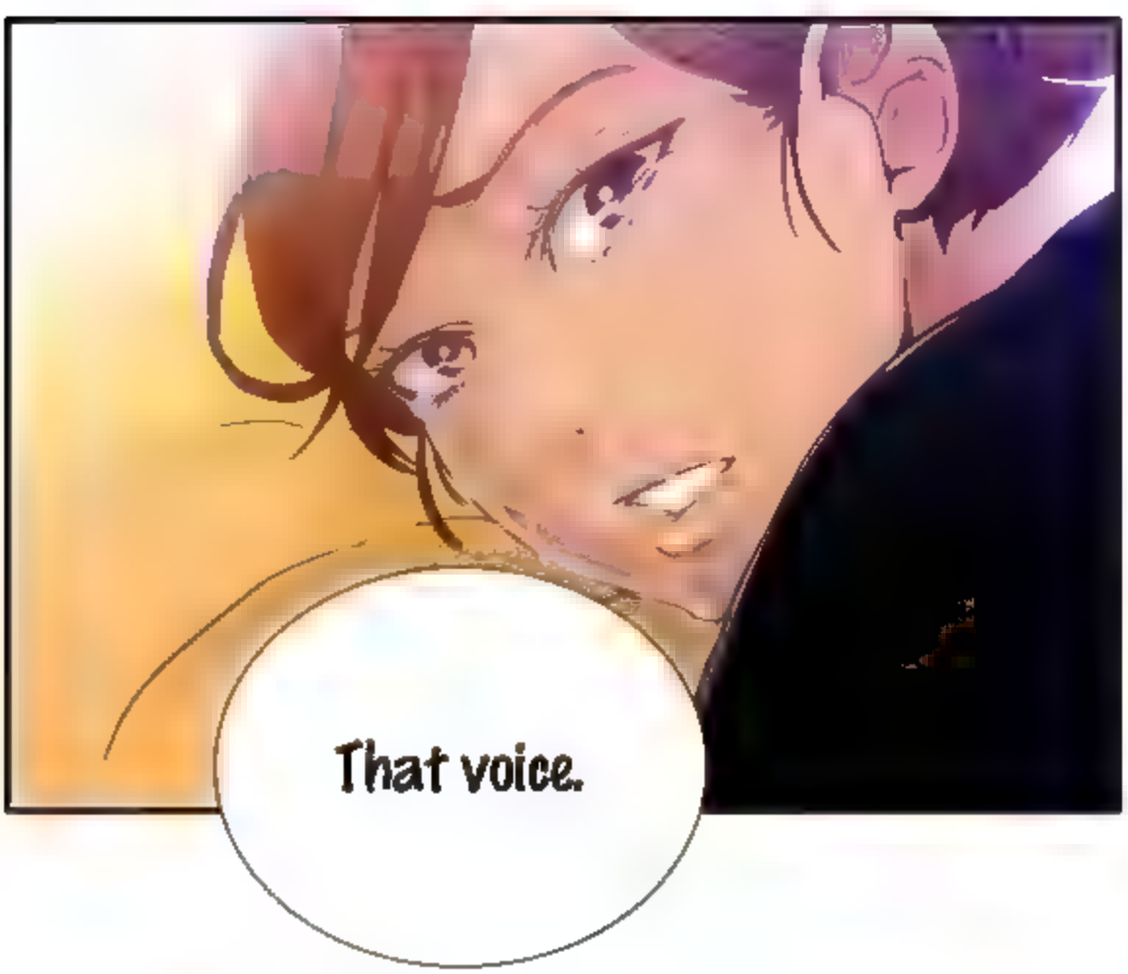
No. Please Ayane-san!
Don't do this.
I can help Anya!
TRUST ME!

PLEASE!
Ayane-san!

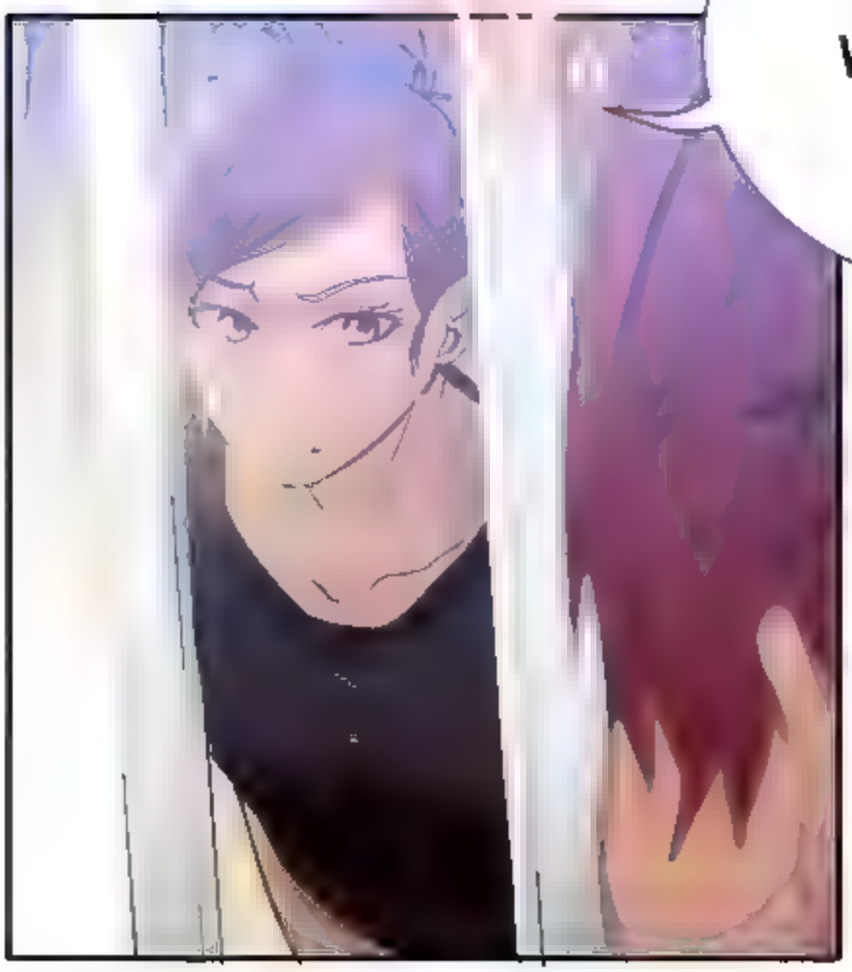
Dammit!

Anya

Anya



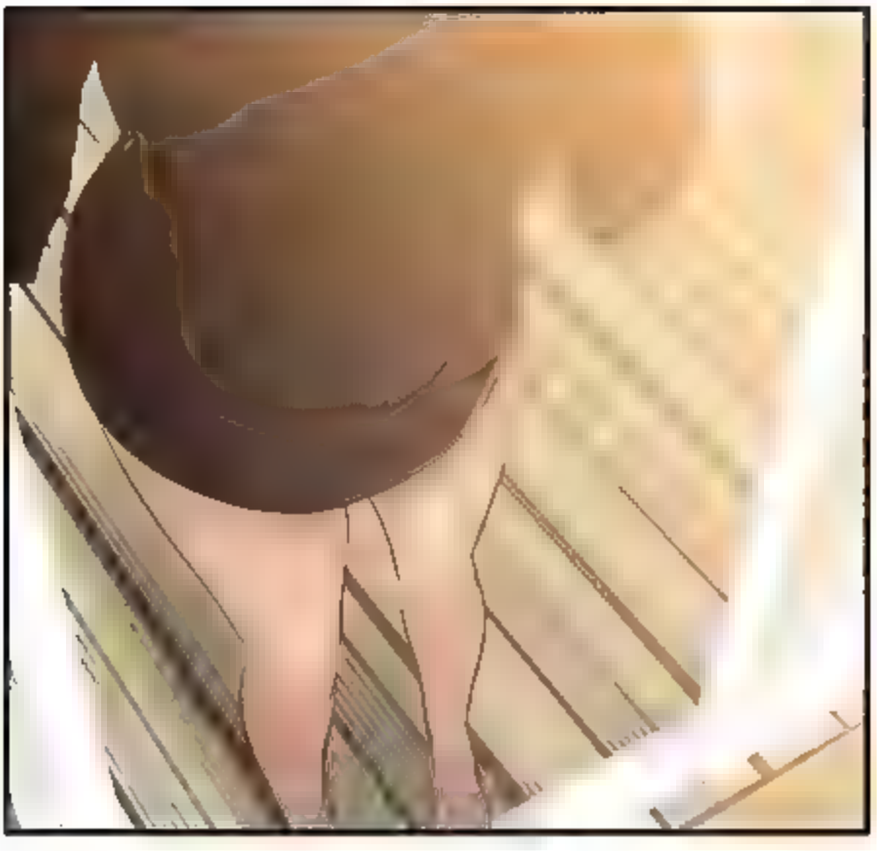
That voice.



Come with me.

What!?

"Is she aware that she's only wearing underwear?"



Let's play.
About what I did earlier,
I can explain.
For now, let's go
somewhere safe.
Safe? What are you
talking about?
Wait, why is Kynn with you?
Mom's been looking for
him!

"She finally noticed."

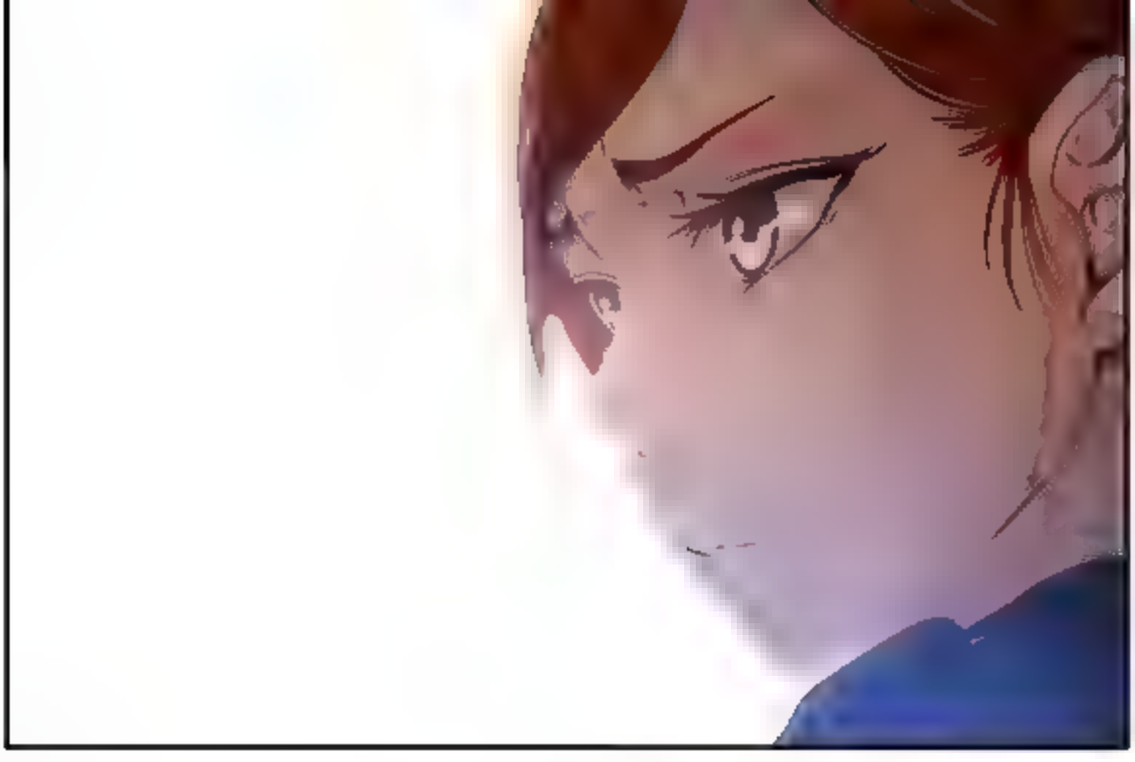
You practiced hard for this day, didn't you? We can't end it like this. Show me your Tennis. I'll show you mine.
We need to synchronize our style. We'll be playing Doubles soon.
Doubles!? What are you talking about?

There is a style that Ayane-san doesn't want you to learn.

I want to see it as well.

For now,
I can act as your support.
And after you master it,
we can play for real.

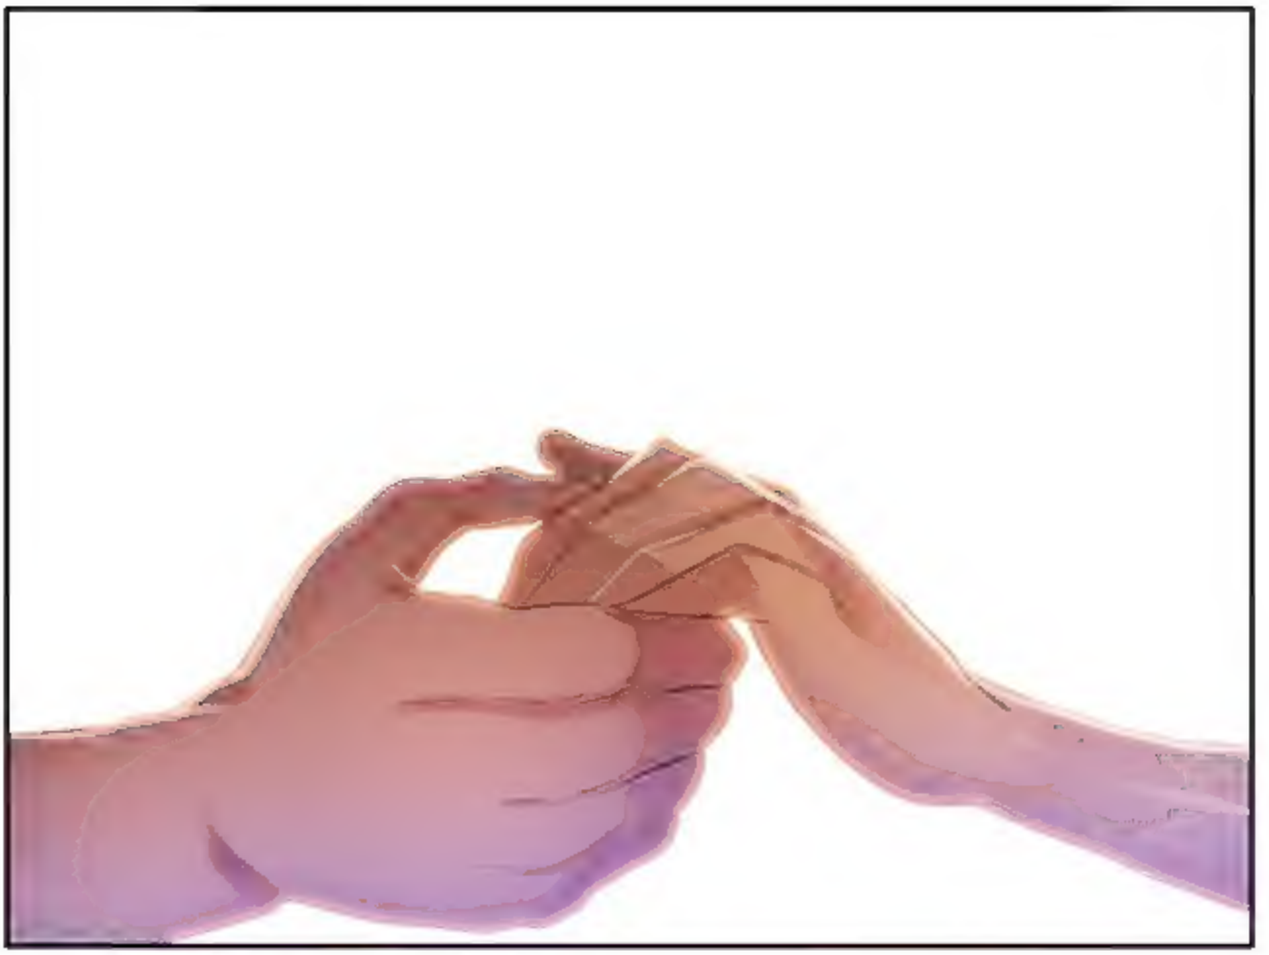
I can feel Axel's being serious right now..



I'm not sure if I could trust him.

I know... I know this is WRONG.. but..

...I can't stop myself!!



I just want to play with him.

I'll see you at the bus stop.

To be continued..
